Re: CVLR Performance Horses v. Ralph Beck, et al

Dear Ms. Wright:

Our office represents Ralph Beck in the above-styled civil case, which is pending in Bedford County Circuit Court. As I mentioned in our telephone conversations today, we need to have certified copies of various documents which were used as exhibits in a case in your bankruptcy court in Lynchburg.

The first document we are interested in obtaining a certified copy of is **Document 18 from Case 11-60706, and this is a 20 page document.** It starts with a statement of financial affairs for Crystal Rivers, and contains accompanying Schedules. The next document is from **Docket number 28, and consists of pages 117-127 in the first set of exhibits which has 161 pages.** The next set of exhibits consists of **pages 107-108 and pages 119-128 in the second set of exhibits affiliated with Docket number 28.**

We are enclosing two firm checks, with one in the amount of \$51.00 to cover the \$30.00 search fee, the \$11.00 certification fee, and the \$10.00 for copying costs. We are also enclosing a separate check in the amount of \$21.50 to cover the certification fee and copying costs for the second round of exhibits. We are also enclosing a self-addressed envelope for shipping the documents to my attention.

Thank you for your cooperation in this matter, and if you have any questions about these requests, please give me a call at the above-listed number.

Sincerely,

WOODS ROGERS PLC
